

To Whom It May Concern:

Hello, my name is XXXXXXX. I am a volunteer member of the non-profit organization, the National Stuttering Association, the largest self-help support organization in the United States for people who stutter, like myself. October 22nd is International Stuttering Awareness Day and I am looking for ways to bring stuttering awareness into our community and provide information to the public about stuttering, the National Stuttering Association, and our local chapter support group.

Two videos that represent the National Stuttering Association and what we do:

If there is any way that we can work together to bring stuttering awareness to our community, it would mean so much to me and thousands of others who stutter.

I hope to be in contact with you soon.

Sincerely,

XXXXXXXXXXXX
