Sessions: June - August

LET ME FINISH

Catered specifically for middle and high school individuals who stutter, Let Me Finish is a well-rounded program that encourages team building, self-confidence, mentorship, and self-advocacy.

- Designed to meet each camper's individual needs in a semi-intensive, hands-on atmosphere
- This group meets for four consecutive half-day sessions, run in June and August.
- The group is led and facilitated by 2 speech therapists

Campers will foster independence, build friendships, and develop communication effectiveness through stuttering education, increased awareness, problem solving, and acceptance.

Working toward these objectives will help campers gain control of their communicative success while reducing frustration and negative attitudes towards difficult speaking situations.
