

Wayne State University

Department of Communication Sciences and Disorders

Volunteers Needed for Research Study.

Are you a person who stutters with prior therapy experience? We need your input! Visit: https://waynestate.az1.qualtrics.com/jfe/form/SV_bgcM2gm0a6dcWfX

You May Qualify If You

- Are over the age of 18
- Are a person who stutters
- Have received speech therapy for stuttering

Potential Benefits

As a participant in this research study, there will be no direct benefit for you; however, information from this study may benefit other people who stutter in the future.

Participation Involves

- Completing a 30 minute, **anonymous** online survey about your experience with speech therapy for stuttering
- Describing your prior therapy experience as a child, adolescent, and adult
- Rating the effectiveness and satisfaction of your experience

Location: Wayne State University
Participants will not be compensated.
