

**WOULD YOUR CHILD WANT TO HELP CHILDREN WHO STUTTER?  
DO YOU HAVE A CHILD BETWEEN THE AGE OF 6/7 (first grade)  
AND ALMOST 11 (10 years 11 months)**

WHO WOULD BE WILLING TO HELP ME WITH FILLING OUT  
A FEW QUESTIONNAIRES  
FOR YOUNGSTERS WHO DO AND DO NOT STUTTER?  
PLEASE ASK THEM TO JOIN THIS RESEARCH STUDY!

**THE PURPOSE IS TO UNDERSTAND  
HOW CHILDREN FEEL AND SPEAK IN  
DIFFERENT SITUATIONS,  
WHAT THEY THINK ABOUT THEIR SPEECH  
AND HOW THEY MIGHT HELP THEIR  
SPEECH.**

**If your child would like to participate, please email  
Dr. Vanryckeghem.  
We will schedule a Zoom meeting to explain the study  
and fill out the questionnaires.**

**MARTINE VANRYCKEGHEM, PH.D., PROFESSOR, UNIVERSITY OF CENTRAL FLORIDA
